

# EXTRA PURCHASING POWER

**Earn credits toward future purchases with every qualifying part you buy.**

Costs keep increasing, yet budgets don't. We're all struggling to do more with less. That's why Toro is offering a new rewards program **FREE** to commercial customers. TLC is designed to help you get more for your money.

Over the year, your points will add up toward an annual credit you will automatically receive each October. You can use this annual credit with your Toro distributor toward purchasing things you need, including additional parts, training, or myTurf® subscriptions and hardware.

Easy and **FREE** to Commercial Customers.
