**CANCELLATION POLICY:** Once an attendee has been confirmed in a class and the distributor has submitted a list of attendees for a particular class to Toro NSN, there is no penalty for cancellation 14 or more calendar days before the start date of the class. The cancellation penalty for cancellations received 7 to 14 days before the start date of the class will be 50% of the class tuition. The cancellation penalty for all cancellations the last 7 days before the start date of the class or for failure to appear (“no shows”) is 100% of the class tuition. An alternate list is kept so that alternates may be notified and slots filled when proper cancellation has been given. Late cancellations and “no-shows” cause fewer individuals to be trained—and are the reason for the cancellation penalty.

I have read the Cancellation Penalty and want to attend the Lynx Regional Training Class listed above.
